RESEARCH & PROFESSIONAL EXPERIENCE

The European Central Bank

Trainee & Research Analyst

Frankfurt am Main, Germany

Aug. 2024–July 2026

- Contributed to analyses and research on non-bank financial institutions’ developments and risks for the Financial Stability Review, leveraging large entity- and security-level datasets using Stata, SQL and R
- Conducted ad-hoc analyses on global capital allocation, investors’ procyclicality, non-bank liquidity dynamics and European exposures on US-dollar markets
- Assessed natural catastrophe trends and related national insurance programs, contributing to the policy paper “Towards a European system for natural catastrophe risk management”

Economics Department, Bocconi University

Research Professional

Milan, Italy

Sept. 2023–July 2024

- Collaborated with Profs. Iovino and Sauvagnat on empirical projects in the field of macro-finance
- Analyzed the impact of monetary policy on the green transition, constructing and analyzing firm-level emission, balance sheet and financial data using time series and panel data econometric techniques in Stata and Matlab
- Supported the model calibration for the paper “The Environmental Bias of Corporate Income Taxation”

Research and Forecasting Department, Prometeia S.p.A.

Junior Economist

Bologna, Italy

Mar. 2023–July 2023

- Enhanced the responsiveness of the Weekly Economic Indicator for the Italian economic activity (WEIP) and developed a nowcasting algorithm based on the indicator using Eviews
- Contributed to Forecasting Reports by conducting econometric analyses on inflation drivers and dynamics across European countries

EXTRACURRICULAR ACTIVITIES

Innocenzo Gasparini Institute for Economic Research, Visiting Student

Mar. 2022–Apr. 2024

Economic Society for Bocconi Students, Fellow

Oct. 2020–Apr. 2024

Rethinking Economics, Fellow

Sept. 2020–Aug. 2021

Action Institute Think Tank, Intern

Sept. 2022–Feb. 2023
